

## Midlands Holy Family Fund endorsement

Charity is a Christian imperative. The Midlands Holy Family Fund was established in response to the Gospel mandate to provide for brothers and sisters in distress and provides a variety of valuable services to those in need in the South Carolina Midlands. There is no organization that better understands “*Charity begins at home*” than this group of talented, committed and generous men and woman who do so much to improve the lives of others. I strongly support their efforts, encourage you to participate in their work, and may God grant you his choicest blessing for your generosity.
