Dear Mr. Palyok.

Thank you for the assistance of the Midlands Holy Family Fund in paying my mortgage and car insurance while waiting for my employment situation to be resolved. I still have not been assigned a court date and do not know when or if I can return to my chosen work. Please continue to pray for me that I will make the right decisions as I look for ways to deal with this unexpected turn of life. God bless you.

...for the generous,
giving hearts
of people like you.

Thank you,
